Realistic Coloured Pencil Techniques

Weekend Workshops - Bowral Art Gallery

For beginners and intermediate artists
February 27th & May 15, 16th 2027

These workshop are for people who want to learn techniques and foundations for creating coloured pencil art in a realism style.

We will cover how to achieve the painterly and realistic style in coloured pencil art, including strokes, pressure and techniques for blending and mixing colours as you go.

The intermeidate class covers working with different supports, dark on light and demos and experiments for working with pencils.

These are techniques workshops you, do not need to know how to draw!

Please note this class is for techniques with wax and oil based pencils.
