# ARTIST'S STUDIO, PAINT & CREATE

With Patti Jones

Wednesday afternoon

Patti is a multi-talented and accomplished artist who has expertise in printmaking, textiles, Plein air painting, watercolour, acrylics and mixed media.

This is the perfect class for those wanting to gather techniques and develop confidence.

Regular demonstrations of mixed media will be included and there will be exercises that facilitate learning in colour, tone, texture and design. Students work at their own pace in watercolour, acrylics or mixed media and Patti will work with each student individually to develop their own style.

Students will produce original artworks, learn skills and techniques, in a relaxing atmosphere.

Beginners are welcome.
