

The Pastel Landscape

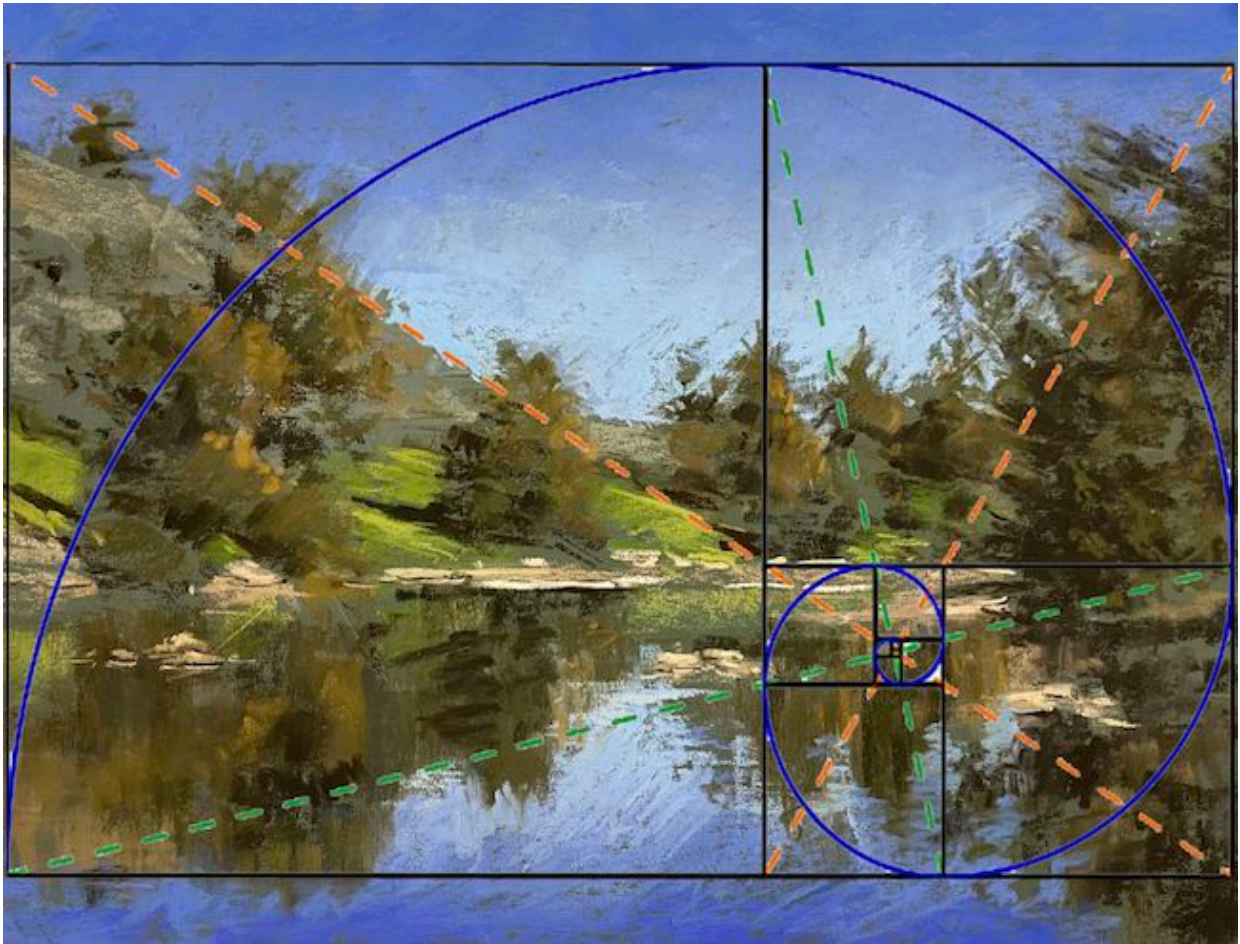

With Amanda McLean 2 Day Pastel Workshop

18 & 19 May 2024

Workshop time: 9:30am – 4:30pm

\$240 BDAS members \$280 non-members

This workshop will give you a good grounding in Soft Pastel, whether you have worked in the medium before or not. We will do some basic exercises (pastel that is) to loosen up and get people using the medium confidently. Then participants are invited to work from their own landscape reference material. This is not a “Paint by Numbers” class and participants are encouraged to develop or follow their own style (yes you have one!).

I will endeavour do a lot of one on one, working to people's strengths and helping with their weaknesses. I will demonstrate various elements from the landscape and guide participants with their chosen subjects. There will be lots of useful information, tips and pointers along the way.
