BORN IN FRANCE, LIVES IN THE SOUTHERN HIGHLANDS NSW

"The Red Thread" by Gilda Wilson.

## Mission:

Art is a passion which is always challenging and the same time so rewarding. My early learning experience has been through classes provided by artists, TAFE through the certificate and Diploma courses and finally University. I have learnt that executing the fundamentals and using those skills to deliver an aesthetic experience are paramount. Having studied with a truly diverse range of teachers, I now wish to pass on my knowledge and experience to keen participants in a warm and nurturing atmosphere.
