

BDAS

# CONSTRUCTION TECHNIQUES FOR JEWELLERY & SMALL SCULPTURE

**With Walter Breceley**

Tuesday

Walter studied Fine Arts at the Illawarra Institute of Technology before beginning a Bachelor of Visual Arts at Sydney College of Arts and completed a degree with a Bachelor of Creative Arts at the University of Wollongong.

Walter creates bespoke works, uniquely customized wedding rings and interior design objects, drawing, sculpture and jewellery.

The course at the BDAS begins with the construction of a basic ring with a hammered finish. Techniques range from basics of sawing, silver soldering, riveting, surface patination, making chain links silver-smithing & stone setting
