

Back to Basics and Beyond Building Strong Foundations in Watercolour

with Josefia Lemon

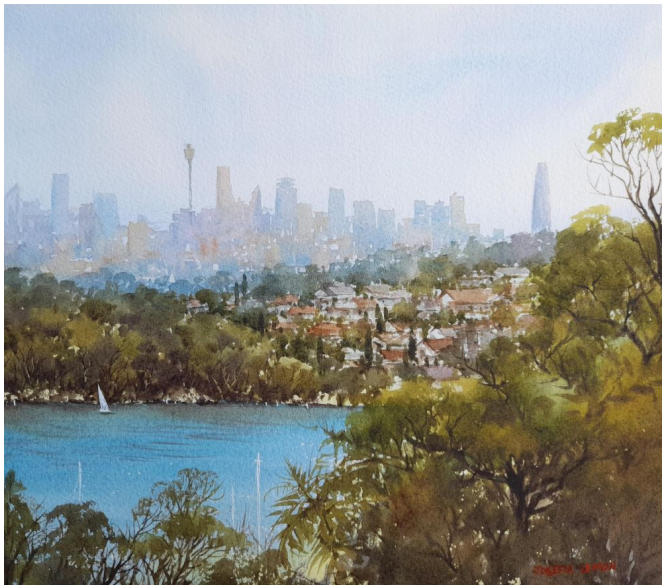

7th & 8th March - 9.30 - 3.30pm

\$260 BDAS Members \$ 310 Non-Members

This class is for beginners (with some experience) and intermediate. Advanced students are welcome.

Josefia will aim to simplify some of the fundamental techniques of painting with watercolour to achieve a sense of distance using tonal values, colours and shapes including composition.

Josefia will be demonstrating with a step-by-step process throughout the day. The class will aim to do 2-3 paintings in a day; therefore, the size of the paper is about A4 or a bit larger. Participants will be encouraged to work fast and confidently. The subject matter will be the country landscape and harbour scene. References will be provided.

Josefia is a Sydney artist whose work has been displayed in group exhibitions in Australia, Korea, Mexico, Taiwan and China. She has been inspired by the natural surroundings in Sydney and rural landscapes found on her trips

In the early 1990s, her first workshop at the Mitchell School of Creative Arts was instrumental in her decision to pursue a new career in art. After enrolling at the Julian Ashton Art School in 1996, she was awarded the Thea Proctor Scholarship and completed a Diploma of Fine Art in 1999. Josefia has won many awards for her work.

Josefia was elected a member of the AWI in 2004 and a member of the AWI Executive Committee since then.

She taught watercolour classes/workshops, particularly at the Julian Ashton Art School prior to pandemic. Now Josefia is teaching her own classes online and face to face. She has been teaching workshops, by invitation, for different art societies as well.
