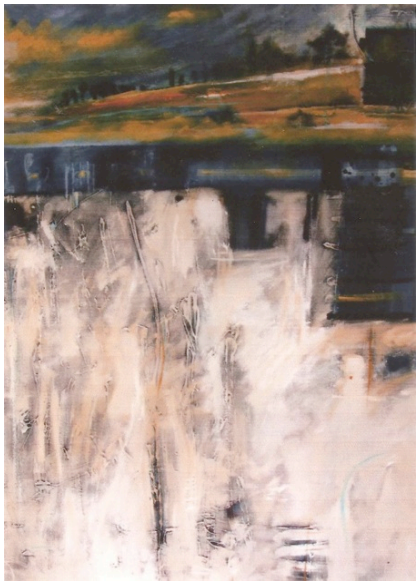
DEBORAH STOKES

ARTIST AND
ART EDUCATOR

With over four decades of experience as a practicing artist and art educator Deborah has developed creative, structural exercises that cover the elements and principles of Design. Deborah caters for all levels of ability, from beginners to experienced artists.

A divers use of media is taught ranging from pencil, pastel, collage, watercolour, oils and acrylic.



Subjects covered are landscape, still life, figurative and abstract compositions.

Self-generated subject mater is welcome. For example paint or draw your favourite still life objects, landscape or portraits.

Find your own style!
