Chan Dissanayake is a multi award winning watercolour artist, living in Canberra ACT. Chan has spent the past 20 years developing his passion for watercolour, a medium that thrives in spontaneous response and expression.

His mastery in watercolour is manifested by the vast and varied subject matter that he tackles from rural landscapes, urban city scapes to coastal seascapes. In 2017 Chan received the ultimate accolade for an Australian water colourist, when he was elected to the elite *Australian Watercolour Institute*. Known for his innovative approach to teaching and generosity in sharing his knowledge, Chan has gained significant reputation as an outstanding tutor.

If you enjoy the challenge of producing loose and bold watercolours then this workshop is for you. Chan is well known for his generosity in sharing his insights and experiences in watercolour. Demonstrations will show you how to create depth, incorporate figures, connect shapes, edge control and how to exploit the medium in creating magical effects. Each student will receive personal attention and encouragement.
