

STILL LIFE PAINTING WORKSHOP

With Gilda Wilson

23 & 24 January 2027

Studio 1, 9:30am to 4:00pm

\$270 for members & \$320 non-members

Join me for an immersive weekend exploring still-life painting in a small, supportive workshop.

We will start by drawing the still life set up in the studio to explore tone and composition. We will then examine the benefits of a limited palette and the relationships between colours, with individual guidance on colour selection and mixing. A short demonstration will show how to apply glazes and explain the effects they can achieve.

This course is designed for participants with intermediate to advanced experience in drawing and painting. With a maximum of eight participants, the small-group format provides personalised guidance in a friendly, informative atmosphere.

Gilda holds a Bachelor of Fine Art (Curtin University, WA) and a Graduate Diploma in Painting (UNSW Art & Design). She also teaches two weekly drawing and mixed-media classes at Bowral Art Gallery.

For further information or to book, contact Gilda directly at gildawilson@yahoo.com or 0403 813 873.

A list of materials will be sent at the time of booking

Note: this course is designed primarily for acrylic painting. Other mediums are welcome, except oil paint, which cannot be used because it may affect other participants.
