Drawing, Portraiture & Painting

Take the anxiety out of Accurate Drawing

Studio 3 9am – 12pm

Work by Ulf Kaiser

23 July – 24 September

10 week term Cost: \$300

In this class we will work through the process of 'Accurate Seeing'. No more the anxiety of feeling stuck, not knowing what to do next. This is key to drawing portraits successfully, no wonky eyes nor unwanted distortions.

There are many levels of drawing and competence, and portraiture, requires a high level of technique. As with all things, some individuals are a quick study, some take longer.

Never forget though: Desire is the number one factor, how long it takes - well it takes what it takes. The JOY is when you get there. Personally, the ability to observe accurately, is a basic requirement in Drawing, Painting and Sculpture.
