Creative Portraits Workshop invites teenagers to explore identity, emotion, and self-expression through bold, unconventional portraiture. Designed specifically for teens, this hands-on workshop breaks away from rigid proportions to focus on vibrant colours, and mixed-media techniques. Perfect for beginners and experienced young artists alike, it is a space to experiment, embrace imperfections, and capture the true essence of a subject.

Using Drawing materials, pastels, charcoal, paint ink and collage you will experiment with colour, textures and gestural expressive mark marking.

No prior experience is needed—just bring your imagination. This workshop focuses on **acrylic paints and mixed-media techniques** to develop layers and develop confidence.

Suitable for Ages 13–17— all skill levels welcome.
