2 Day Still Life Oil painting workshop

Time: 9.30 – 4.00pm

Cost: \$230 Members and \$260 non-members

This is a fabulous opportunity to work with one of our very own talented painters and tutor, Kim Shannon. Kim is a master of capturing a beautifully composed still life painting whether through the accidental arrangement of shapes and shadows or carefully composed objects that are lived in and personal from around her home.

In this two day workshop Kim will guide the students through setting up a still life composition, the use of various oil painting techniques, demonstrations and personal feedback.
