Creative Workshops

with Belinda Lindhardt

Learn the techniques. Build your skills & enjoy the process.

Belinda's workshops are practical, hands-on sessions designed to help you develop your skills and confidence through focused instruction and plenty of opportunity to practice.

The first workshops for 2027 explore coloured pencil techniques, with sessions designed for different levels of experience. You'll learn practical approaches to working with coloured pencil, understand the techniques behind the finished result, and have the opportunity to put what you've learned into practice.

Workshops in 2027 & beyond

New technique-based workshops including Mixed Media , Painting and creative learning experiences will be added throughout 2027.
