

Upholstery and Restoration workshop

Saturday and Sunday 13 & 14 March 2027

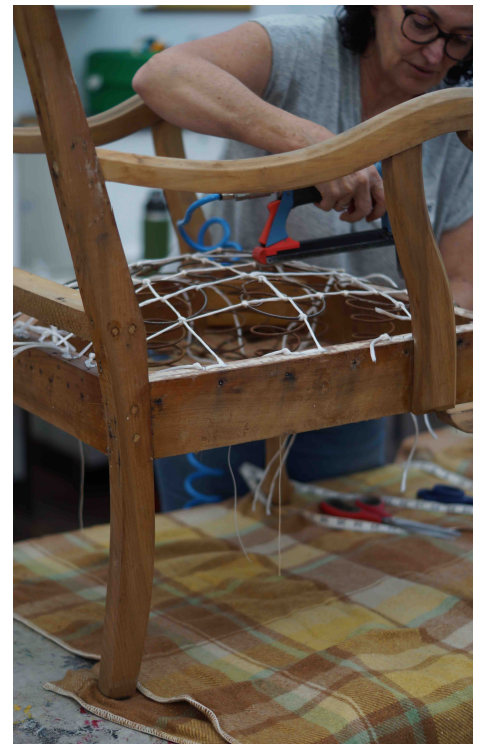

Learn new skills and have some fun during this 2 day bring-your-own-chair upholstery workshop. You will be taught the techniques required to upholster a chair of your own during the course and acquire the confidence to tackle new projects on your own.

There will also be the opportunity to restore the timber on your chair as well as fixing minor repairs on chair frames and tuition and guidance on various timber finishes.

The course is presented by two tutors: Upholsterer, Fiona Edmeades and Woodworker and Furniture Maker, Steve Thomas. Together they will teach you about and guide you through, the processes necessary to restore your chosen chair project.
