Alcohol inks create vibrant transparent colour unlike any other medium and form interesting patterns within your painting. The vibrant colours of the ink intermingle creating unique textural effects, often leading to unexpected results.

Each participant will leave with several experimental pieces.

Tracey has many years of experience guiding beginner and intermediate artists in creating pieces they proudly cherish. This workshop is perfect for those who just don't have the time to commit to a full class term OR want to try something new.

Please bring: Your own apron, coffee cup, lunch and enthusiasm.
