DRAWING FOR BEGINNERS & INTERMEDIATE - Monday mornings

PENCILS AND OTHER MEDIUMS – Thursday mornings

With Gilda Wilson

The drawing and mixed media classes will give you the skills to approach any subject you want to depict. Regardless of the medium you choose, you will be taught the importance of tone, perspective and proportions. In both courses, participants will learn about composition and the importance of negative space. Additionally in the Thursday class, participants will go through a variety of experiments involving collage, different drawing materials and paint. Personal projects regardless of media are welcome.

Gilda's small classes will enable you to learn and develop your skills at your own pace in a friendly atmosphere under her personal guidance. Previous and contemporary artist will be discussed in class as well as their techniques.

Gilda was born in France and has been back in the Southern Highlands since 2015. She is a practising artist and has been teaching at the Bowral Art Gallery since 2019. Gilda first started to teach art in South Korea when she was a member of her local artist Collective. This experience was fulfilling as she enjoyed sharing her knowledge with a mix of local and expatriate students.
